

Sarah Flanigan

UX Designer

May 2018 - Present

User Experience Designer – Ivanti South Jordan Utah

- Responsible for User Research, User Testing, Wireframe and Prototyping across web and mobile supply chain products.
- Worked alongside product managers and engineers to help define product road maps and feature requirements.
- Developed rapid web products by coding wireframes into elements that users can interact with to gather feedback.

Oct 2017 - July 2018

Guest Services – Parks and Rec Provo Utah

- Assisted with planning enjoyable and large-scale community events (1500+ attendees).
- Created multiple feedback experience score surveys on Rec Center facilities and events.
- Researched and proposed new risk management policies for the parks department.

Jan 2017 - April 2017

Social Innovation Intern – LDS Self Reliance Program Salt Lake City Utah

- Led a research project to find education to employment programs in South American and Asian countries.
- Contacted over 150 organizations with the help of a translator.
- Presented data and insights found through my research to key stakeholders.

May 2016 – October 2016

Marketing Business Intern - JD Lewis Richmond Virginia

- Developed a social media strategy to advertise available rental units.
- Assisted in contract agreements with the City of Richmond.
- Handled confidential information about clients with care.
